The **Cooler Master Elite 241- USB 2** is a very compact mini tower designed for, and in cooperation with, our SI partners and internet cafes. It is only 37cm deep but supports all ATX and micro-ATX mainboards, up to HD7870 and GTX570 graphics cards and is equipped with 3 HDD slots. It comes with a secure lock integrated into the side panel, and a lock anchor to secure the system to the desk. The subtle yet stylish glossy front features 2 blue LED bars, and can be customized to feature 2 USB 2.0 or USB 3.0 ports, and an optional SD card reader. A rear exhaust fan and spacious vents on the side panel result in excellent airflow over the CPU socket and expansion slots, which can be further boosted by installing an optional 120mm fan.

Features

- Very compact yet compatible with ATX mainboards and HD 7870 / GTX 570 graphics cards
- Integrated side panel lock with unique key
- Steel anchor to secure the system to the desk
- Subtle yet stylish mirror finish front panel with blue LED stripes and customizable front I/O
- Bundled rear exhaust fan and large side panel air vents with optional 120mm fan for excellent airflow
- 5.25" ODD and 3.5" HDD combo cage at the top with tool-less ODD mounting system
- 3.5" and 2.5" combo cage at the bottom
